# A GLIMPSE OF HERO MOTOCORP

## THE WORLD'S LARGEST 2-WHEELER MANUFACTURER

The story of Hero MotoCorp can be traced back to the vision of a mobile and empowered India, powered by its two wheelers. Today, Hero MotoCorp has made it its mission to become the best two-wheeler company, not only in India but globally, by setting benchmarks in style, performance and technology.

### PRESENCE IN 43 COUNTRIES

## CENTRE OF INNOVATION AND TECHNOLOGY, JAIPUR

The sprawling campus of CIT is a one-of-its-kind facility built with world-class infrastructure.

It houses all aspects of Research and Development including self-sufficient facilities for New Product Design, Prototype Manufacturing, Testing and Validation. It also boasts of world-class on and off-road test-tracks with 45 different surfaces to simulate real-world road conditions.

The CIT team works in close collaboration with Hero Tech Centre Germany (HTCG), a subsidiary of Hero MotoCorp Ltd., to push the boundaries of performance at national and international rally races.
