

 **CITROËN**

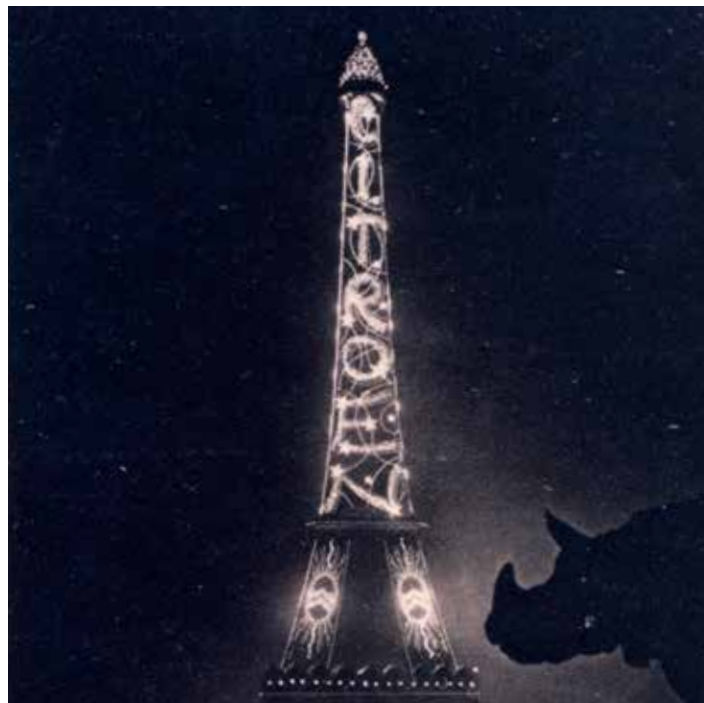

PRESENTING THE NEW

CITROËN C5 AIRCROSS SUV

COMFORT CLASS SUV

THE MAN BEHIND A CENTURY-OLD LEGACY

Brand Citroën owes its remarkable success to an audacious, maverick Frenchman - **André Citroën**.

Driven by a dream to make cars more accessible to everyone, he founded Citroën in 1919. With his groundbreaking vision, the company would go on to revolutionise car manufacturing in Europe and become a pioneer in automotive innovation.

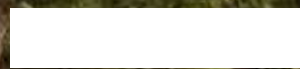

André Citroën developed double helical gears with V-shaped teeth, years before he founded the company he named after himself. The gears proved to be a game-changer, bringing him immense success. The gears held great significance for him – so much so that he based the design of Citroën’s logo on the very same gears.

Besides his entrepreneurial gifts, he was renowned for his advertising acumen, dazzling audiences with bold and never-seen-before campaigns.

André Citroën’s spirit has endured at Citroën for over a century, inspiring the company’s designers and engineers to be as audacious as he was. And to push the boundaries of what is possible.

NEW CITROËN C5 AIRCROSS SUV

COMFORT CLASS SUV

A CITROËN FOR EVERYONE

Around town or across the country, every Citroën possesses a DNA of dynamic design and a welcoming environment that provides pure comfort. It is this DNA that is perfectly translated through Citroën's offerings of a hatchback with a unique design and a Comfort-class SUV.

NEW CITROËN C3

NEW CITROËN
C5 AIRCROSS SUV

COMFORT CLASS SUV

Since 1919, Citroën has been at the forefront of automotive comfort. Comfort that inspires you to dream of greater freedom and adventures. And now, we are delighted to present to you the New Citroën C5 Aircross SUV which is a perfect combination of our hundred-year legacy and futuristic technology.

WHAT MAKES THE NEW C5 AIRCROSS SUV CAPTIVATING

DYNAMIC DESIGN

An SUV with dynamic design & structured lines ensuring an overall dynamic perception.

PAGES 6-8

THE COCOON EFFECT

A refined and elegant interior designed with everyone's well-being in mind.

PAGES 9-12

SUSPENSION WITH PROGRESSIVE HYDRAULIC CUSHIONS®

This exclusive suspension offers a "Flying Carpet" effect.

PAGES 13

ADVANCED COMFORT SEATS

Uniquely welcoming and comfortable, these seats make the interior feel more like a contemporary lounge.

PAGES 14

3 FULL-SIZE INDEPENDENT REAR SEATS

Welcome to the only SUV in its class with 3 independent adjustable rear seats.

PAGES 15

CHANGE YOUR SPACE

With 3 rear seats that slide, recline and fold away altogether, the New Citroën C5 Aircross SUV offers plenty of flexibility.

PAGES 15-16

GENEROUS BOOT

Amassing 580 l / 720 l (w/ rear seats in forward position) of space, the New Citroën C5 Aircross SUV stands in a league of its own with its boot space.

PAGES 16

LATEST GENERATION INFOTAINMENT

New 25.4cm Infotainment system which helps you interact with your smartphone through your car.

PAGES 19

DRIVING AND SAFETY AIDS

6 Airbags, Grip Control, Hill Assist/Descent control and other safety features ensure a step towards comfortable and safe journeys.

PAGES 20-21

POWERTRAIN

Latest generation diesel engine mated to a super smooth 8-speed AT transmission that delivers great balance of efficiency and driving pleasure.

PAGES 23

STYLE

ALL NEW EXTERIOR STYLING

The New Citroën C5 Aircross SUV sports a new front styling that accentuates its robust character. Typically, Citroën, the “V” LED light signature creates a 3D effect by means of a “piano key” detail. The discreet LED Vision headlights visually extend the gloss black grille. With all sculpted lines, it sets itself apart through chrome highlights and the gloss black chevrons, sporting a chrome surround in the central section. The main air intakes have sharper lines which sculpt the lower front panel. The side scoops increase the aerodynamic properties and visually widen the vehicle. Additionally, the polished aluminium fairing reinforces the SUV character and emphasises the dynamic, and robust front styling. In perfect coherence with this new design, the New Citroën C5 Aircross SUV is fitted with new 3D effect LED rear lights.

ROBUST AND ELEGANT

A CHARACTER THAT REFLECTS YOUR PERSONALITY

The New Citroën C5 Aircross SUV asserts its presence thanks to its high and horizontal bonnet, its large 716mm diameter wheels, raised ground clearance, Airbumps® and its functional roof rails. An elegant chromed "C" signature surrounds the wide side windows and accentuates the floating appearance of the roof. To personalise your New Citroën C5 Aircross SUV, you can choose from 4 body colours, including the new Eclipse Blue. You can also choose from 3 dual-tone roof options and 2 Colour Packs: Dark Chrome or Energic Blue.

ENHANCED ROADHOLDING

GRIP CONTROL WITH HILL DESCENT ASSIST

An SUV needs to take varied and difficult surfaces in its stride. The New Citroën C5 Aircross SUV does precisely that with Grip Control[®], which provides secure traction in all road conditions. This ingenious system has 4 modes – Standard, Snow, All-Terrain (Mud, Damp Grass, etc.) & Sand, that you can be activated using the driving mode selector located on the centre console.

To ensure that safety is optimised when travelling downhill, the Hill Descent Assist feature minimises the risk of skidding or accidentally gaining speed, in either forward gear or reverse. This function is selected by means of a button which is also placed on the centre console.

EXQUISITE INTERIOR

The interiors of the New Citroën C5 Aircross SUV welcome you with a rare mix of refined comfort and space. Settle in and you'll quickly appreciate the high driving position, great visibility and a plush cabin. The horizontal lines of the dashboard subtly incorporate a range of useful technologies, such as the 25.4cm HD capacitive touchscreen & 31.24cm digital cluster. The combination of gloss black details and chrome inserts, as well as the finishing touches like the elegantly designed oversteering, show the care taken over the details.

Contemporary and welcoming, the New Citroën C5 Aircross SUV's interior has been designed to ensure serenity reigns supreme. The CITROËN ADVANCED COMFORT® programme delivers innovative, technological and intelligent solutions for drivers and passengers alike, and confirms Citroën's driving comfort credentials. The four main themes at the heart of this comfort engineering are: Flying Carpet Effect, Cocooned in Comfort, Panoramic Life and Intuitive Technologies.

FILTER OUT
STRESS

MAKE LIFE
EASIER ON BOARD

LIGHTEN
THE MENTAL LOAD

IMPROVE
THE FLOW

THE COCOON EFFECT

—

Exceptionally spacious, the interior is a haven of calm, thanks to the double laminated front windows and acoustic windshield glass. Wind and road noise are kept to an absolute minimum. For optimum comfort, the New C5 Aircross SUV is also fitted with the Air Quality System (AQS), a system for purifying the air in the cabin.

PANORAMIC LIFE

—

The large Panoramic Glass Sunroof provides exceptional brightness and a feeling of well-being for the driver and all the passengers, making every journey a special experience. Filling the interior with natural light, it enhances the epic views enjoyed in the New Citroën C5 Aircross SUV.

THE FLYING CARPET EFFECT

Exclusively developed by Citroën, the suspension with Progressive Hydraulic Cushions® offers unprecedented driving comfort by filtering out and absorbing both, major bumps and minor road surface imperfections, to give the impression that you are flying over the road while guaranteeing exceptional body stability and dynamism.

ADVANCED COMFORT SEATS

Equipped with newly designed seats with broad cushions & seat backs to provide unmatched lounge-like comfort on the move. The innovative composition, combining high-density foam at the core & a 15mm thick textured foam on the surface guarantees perfect support & softness, whether it's the shortest of trips or the longest of journeys.

COMFORT FOR EVERYONE

—

3 Individual rear seats with identical width, provides the same level of comfort and space wherever you're sitting. Multiple reclining positions and the ability to perfectly fold flat all 3 seats help in optimising the interior space & the cargo space basis your requirements.

HANDS-FREE TAILGATE

Access the roomy boot of the New C5 Aircross SUV with the advanced Hands-Free Electric Tailgate to access 580 l of boot space . Additionally, with the rear seats to their furthest forward position, get up to 720 l of segment-leading space, and an astounding 1630 l of boot space with the modular rear seats folded away.

INTUITIVE TECHNOLOGY

The New Citroën C5 Aircross SUV makes sure your digital world is always with you by enabling you to easily access your digital devices and systems. Additionally, these features are dedicated to your safety and making life on the move enjoyable.

CUSTOMISABLE DIGITAL DISPLAYS

—

Customise the 25.4cm HD capacitive touchscreen & the 31.24cm TFT digital cluster as per your taste and mood with 3 Personalisation modes (Personal mode, Dual mode & Minimum mode) and 3 Ambience options (Brown, Blue and Red).

LATEST GENERATION INFOTAINMENT SYSTEM

The new 25.4cm high-definition gloss black capacitive touchscreen is responsive and intuitive, enabling easy access to enjoy the features of your smartphone and to stay connected with it on the road. This smart screen also offers the controls for Dual Zone Temperature system, Reverse Camera input and the unique Coffee Break Alert. In addition, it controls the unique Park Assist feature for Parallel and Perpendicular parking with Automatic Steering control.

AM/FM radio control

Dual zone temperature control

Park assist control

DRIVING AND SAFETY AIDS

PARK ASSIST

This is an active parking assistance system, used for parallel parking or bay parking. When requested by the driver, it automatically detects a space and then controls the steering to park the vehicle with ease. You just have to engage the gears, control the accelerator & brake as required

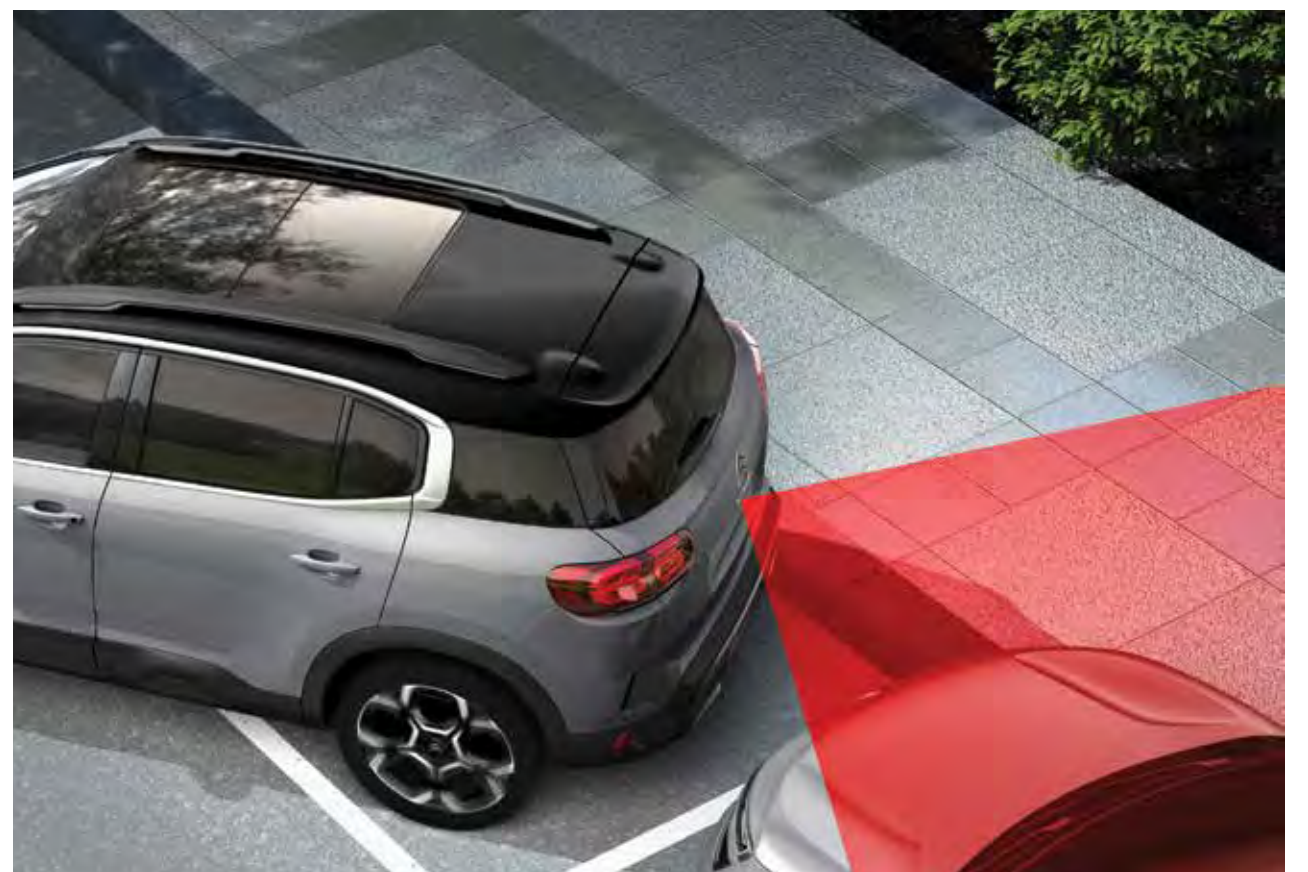

BLIND SPOT MONITORING SYSTEM

Very useful on roads with more than one lane, this monitoring system indicates to the driver that there is a vehicle in the blind spots, using an orange LED located in the corner of the door mirrors.

GRIP CONTROL® WITH HILL DESCENT ASSIST

A traction control system, created to provide secure traction in all road conditions. The Grip control selector, located on the centre console makes it easy to select one of the 4 modes: – Standard, Snow, All-Terrain (Mud, Damp Grass, etc.) & Sand. The Hill Descent Assist feature minimises the risk of skidding or accidentally gaining speed, in either forward gear or reverse.

REVERSING CAMERA WITH TOP REAR VISION

Engage the reverse gear and the camera displays a 180-degree rear view on your 25.4cm HD capacitive touchscreen. Additional coloured lines on the display make the position of obstacles clearer.

CITROËN LED VISION

Equipped with LED lighting technology, the New Citroën C5 Aircross SUV ensures you have the right light for night driving. With LED modules, daytime running lights, and direction indicators, the Citroën LED Vision is a safe choice for you.

KEYLESS ENTRY & START

Convenient and ingenious, you can now lock and unlock your car without taking out your key. The New Citroën C5 Aircross SUV also recognises you as you approach the vehicle.

HILL START ASSIST

Designed to prevent unwanted movement when you release the brake pedal on slopes, Hill Start Assist works on gradients over 3%. It holds the vehicle for about 2 seconds, giving you time to move calmly from the brake to the accelerator pedal.

COFFEE BREAK ALERT

When it's time to take a break, this system sends you a warning. It activates once you've been driving for 2 hours continuously at more than 70kmph.

WIRELESS CHARGER*

Instead of carrying around multiple cables, now charge your smartphone wirelessly in your New Citroën C5 Aircross SUV.

ELECTRIC PARKING BRAKE

Safe and easy, the Electric Parking Brake applies automatically when the engine is switched off and releases when you move away. You can also use it manually using the control paddle on the centre console.

*Dependent on smartphone model

NEW CENTRAL CONSOLE

The New Citroën C5 Aircross SUV stands with new central console that houses new e-Toggle EAT8 automatic gearbox selector, Engine Start-Stop, Hill Descent Assist, Electric Parking Brake & Grip control selector. There is also a large storage area along with a space dedicated to connectivity, including wireless charger, 12V power outlet & 2 USB-A sockets (1 for charging + data & 1 for charging only).

POWERFUL & REFINED ENGINE

—

2.0l diesel engine mated to a highly refined 8-speed automatic gearbox delivering 177 PS of power and 400 Nm of torque for extremely comfortable journeys and maximising your driving pleasure.
