

# ADVENTURE GETS REAL

4x4x4 Commanding road presence | Unmatched cabin space | Exceptional ride quality | Legendary Off-roader

## Evolution of the Gurkha

Over the years Force Gurkha has established for itself a reputation as the most capable indigenous off-roader. Time and again, the rugged and tough DNA of this beast of a machine has proved its prowess on extreme terrains and in unforgiving weather. The Gurkha clan is inspired by those who dare to defy the normal. It stands for adventure in its truest sense: non-exhibitionist and real!

## Introducing the newest member The All New Gurkha

### Our Inspiration

Force Gurkha truly believes in the power of outdoor adventures. We believe that the answer to your questions lies beyond city limits.

With The All New Gurkha, Adventure Gets Real

### Bold style

New Force Pro-Edge LED headlamps for enhanced night time visibility and brand badge on the grille that identifies true adventurers.

Largest rear window area to ensure great visibility for all passengers. Stylish shark gill vents and matte black air intake snorkel that turns more heads than you could imagine.

### Space and comfort

Captain seats for all occupants with ample leg room, head room and shoulder room. The All New Gurkha has armrests on the rear seats and dedicated charging slots for all passengers.

Cabin height : 1232 mm  
 Best in segment cabin volume: 3900 Litres  
 Boot space: 500 Litres  
 Leg room : 270mm

Coil spring suspension on all four wheels, balanced for the most comfortable ride both on and off the road.

### Convenience

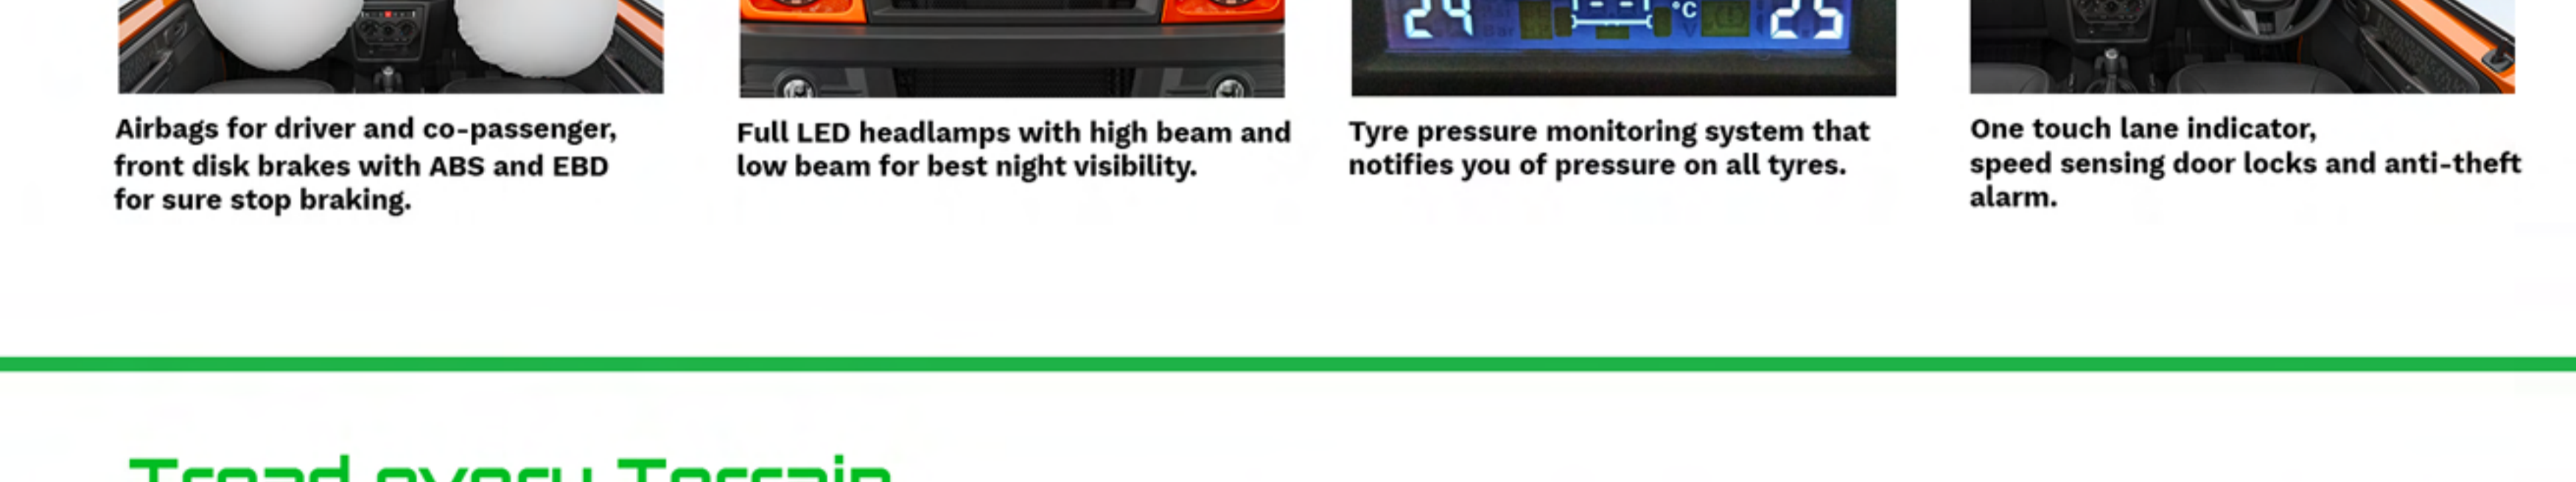

- Single piece rear door and wiper
- 17.78cm Infotainment system with Android Auto and Apple CarPlay
- Cornering lamps and auto dimming interior lights
- Follow me home and reach me to Gurkha
- 'Intermittent' variable speed wiper
- Dedicated charging points for all passengers

### Uncompromised Performance

- With the mechanically actuated differential locks in the front and rear, you're in complete control of the terrain you're out to tame
- Best-in-class gradeability of 35° the Gurkha makes crawling up a hill look too easy
- Ability to wade through streams up to 700mm, makes the Gurkha the most capable in its class
- Best-in-class manoeuvrability: Lowest turning radius of 5.65m
- The largest and most reliable engine in the class, with low wear and tear, ensuring longevity of the heart of this machine

### Safety

- Airbags for driver and co-passenger, front disk brakes with ABS and EBD for sure stop braking.
- Full LED headlamps with high beam and low beam for best night visibility.
- Tyre pressure monitoring system that notifies you of pressure on all tyres.
- One touch lane indicator, speed sensing door locks and anti-theft alarm.

### Tread every Terrain

Glance through the technical specifications of the All New Gurkha

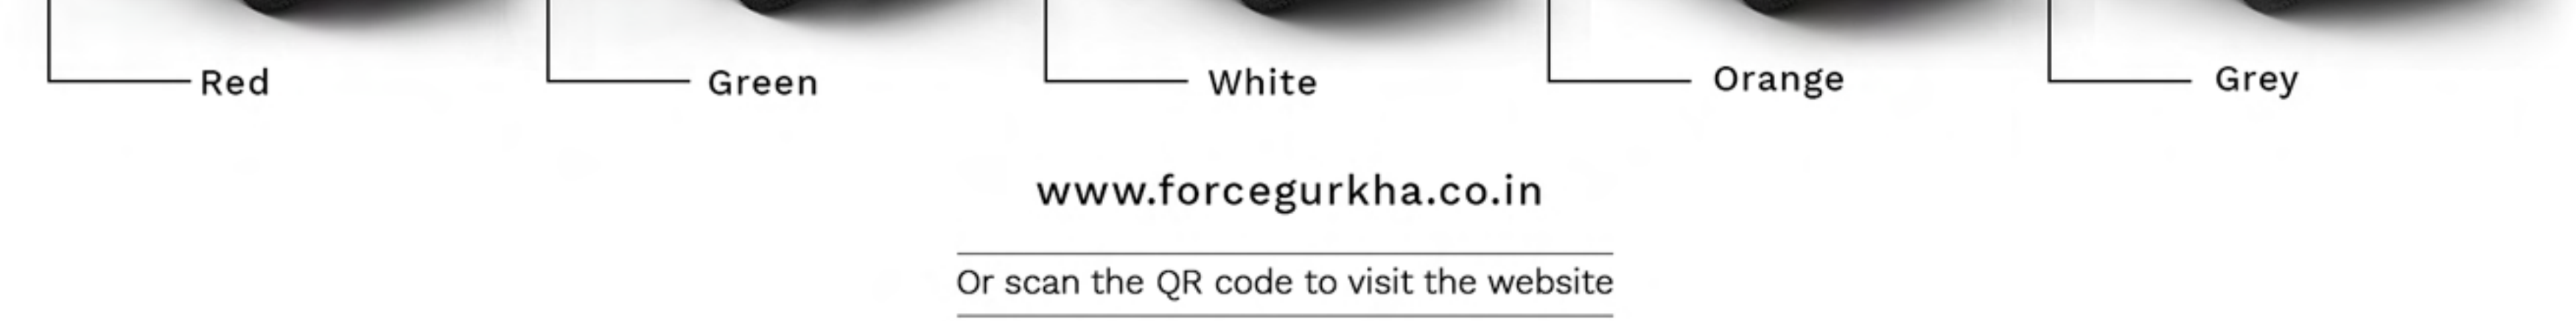

POWER TRAIN	
Engine Model	FM 2.6 CR CD BS VI
Type	4 Cylinder, common rail, DI TCIC
Displacement	2596 CC
Max Power	67kW, 91HP @ 3200rpm
Max Torque	250 Nm @ 1400-2400 rpm
BRAKES	
Brake Type	Dual circuit Hydraulic Brake, vacuum assisted
Front Brakes	Disc
Rear Brakes	Drum
ABS & EBD	Yes
STEERING	
Steering type	Hydraulically assisted power steering
Tilt Adjustment	Yes
Telescopic Adjustment	Yes
Turning Circle Radius	5.65 Meters

WHEELS & TYRES	
RIM Type	Steel Wheel
Tyre Type	Tubeless Radial
Tyre Size	245/70 R16
CAPABILITY	
Air Intake snorkel	Yes
Water Wading capacity	700 mm
Gradeability	35° - 4x4 Mode
CAPACITY	
Seating Capacity	3+D
Fuel Tank Capacity	63 Liters
INTERIOR	
Door Trims with Dark Grey Theme	Yes
Floor console with Bottle holders	Yes
Moulded Floor Mat	Yes
Seat Upholstery with Dark Grey Theme	Yes
